

## Backwater valve Staufix DN 100, exposed, Type 1

## Article information

Item no.: 720100 GTIN: 4026092076033 Price group: 10

## **Advantages**

- Simple conversion to Staufix Type 2 or StaufixControl
- Flexible installation, various covers available for floor slab installation
- Simple, toolless maintenance and cleaning

## Description

....

The backwater valve for wastewater without sewage is equipped with one mechanical flap which closes automatically in the event of backwater and also serves as an emergency closure to be closed by hand. Thanks to the modular KESSEL system, existing systems can easily be supplemented by a second flap or be converted to the StaufixControl backwater valve.

Variant	
Emergency closure:	yes
Mechanical backwater flaps:	1
