

## Chamber module LW 1000 floor slab Access LW 600, 380-629 mm, Class D

## **Article information**

Item no.: 8740001 GTIN: 4026092065167 Price group: 60

## **Advantages**

- For modular assembly with simple connection segments and intermediate sections 250 and 500 mm high
- Innovative honeycomb structure
- Installation in groundwater up to 3000 mm

## Description

The chamber module for wet installation is equipped with all the necessary seals and connecting wedges as well as a taper with vertically adjustable upper section. The intermediate sections made of permanently resistant polymer (PE) have universal connection possibilities. Thanks to the modular KESSEL system, the design can be flexibly combined with intermediate sections, a taper, upper section and cover.

General characteristics Colour: Material: Standard: Installation situation: Delivery state:	black PE-HD EN 13598-2 underground installation Partly for on-site assembly (access steps have been pre-mounted in the factory)
Approval:	Z-42.1-527
ATEX:	no
Dimensions Net weight: Gross weight: Groundwater resistant from lower edge of base section:	89 kg 105 kg 3000 mm
Installation depth:	380 - 629 mm
Type of height adjustability:	vertically adjustable upper section
Length:	1200 mm
Width:	1200 mm
Packaging dimension: Packaging dimension:	length width
	witti

Packaging dimension:

Tank/drain body Inlet max. scoring (DN): Clear width of tank (LW): Clear width of entry (LW):

Coverage features Type of cover: Cover material: Colour of cover: Width of cover: Height of cover: Length of cover: Surface: Locking: Load class: Tightness: height
